## OUR BASEBALL FAN.

THE ANSLANDERS WENT DOWN IN YESTERDAY'S GAME.

Knoxville Indians Afloat to Come to Maysville The Flemingsburg Claim Honors Not Won.

Asland went under.

By a score of 11 to 7.

That was in brief, the result of the game yesterday between Asland and Maysville, with the added remark—

"The umpire was 'out of sight'—not!"

Recurring to the deft seat recently by Manager Watson, offering to play the Knoxville Club on the Maysville grounds for a liberal purse and some extra inducements, that gentleman is in receipt of the following letter from the Manager of the Indians:

KNOXVILLE, TENN., August 6th.

Mr. W. S. Tilton, Maysville, Ky.—Dear Sir:

Would like to meet your team on the Chattanooga grounds, the best three out of five, for a purse of \$500; also, winning team to take 20 per cent. of the gross receipts. Let me hear from you at once. Yours truly,

F. H. MOFFETT, Manager.

P. S.—Old man, that was quite a "roast" you gave us in the Maysville papers.

In reply, Manager Watson wrote to Manager Moffett that if he would wait till the difficulty was settled between Spain and Cuba, he would consent to go over to that island and play a few games there.

From Manager Moffett's letter it is evident that the Knoxville lads have no inclination to try their mettle on Kentucky grounds.

If they should reconsider, however, and consent to come here, THE LEDGER assumes them of fair play and courteous treatment.

What more could they ask?

And in view of the fact that our boys did not hesitate to meet them on their own grounds, is it any more than fair that they should now consent to play on our home field?

It was not thought that Flemingsburg would claim honors that were not justly their own; but in this all were mistaken.

On Monday the Maysville team went out for a game, and finding there were not a sufficient number of players to fill out a pair of Nines, four of our best men—McGann, Heilman, Keenan and Keenan—volunteered to play on the Flemingsburg side; and the result was that the Nines representing that town won the game.

But here is the way The Flemingsburg Gazette cackles:

"Maysville's crack ball team came up Monday afternoon to wipe up the earth with Flemingsburg. Did they do it? Not much. At the end of the eleven innings the score stood 13 to 13 in favor of Flemingsburg. A very good sized crowd witnessed the game and the rooters were very jubilant over the outcome."

Captain McGann was advised that he would be the outcome, but he didn't believe it. He knows better now.

SHORT STOPS.

Don't forget that the Cincinnati Reds will play here Friday afternoon.

Manager Melville of the Ironton team is anxious to meet all the best amateur players in the circuit, but the star of his ambition is to take a fall out of Maysville.

According to the tone of the following from The Asland Sun we judge the boys were playing farmers yesterday: "If the Maysville lads prove the hard hitters they are generally supposed to be, the left fielder may have occasion to protest against the presence of the cordwood that now adorns that portion of the grounds."

Vanceburg now has quite a good baseball club. The team since its reorganization some weeks since has not lost a game. Manchester, Higginson, West Union, in fact all the Ohio teams that have met Vanceburg lately have gone down before the "Colonels," as they are called. The team is made up of some very good talent—Walker, Bodemer, Deisel and Brewer. All Cincinnati players, are with this team. Armstrong, their first baseman, is well spoken of. He weighs 190 pounds, and plays the ball in good shape. Aldridge, their third baseman, is a good slicker and a fine fielder. Cox, Pinner and Mavity make up the outfield. In speaking about the team Bert Walker, the well known wrestler and clever outfielder, who played with the Naves in their series of games with the Locals, who is now with the Vanceburgs, had this to say: "Vanceburg is 'baseball crazy.' After we had defeated Higginson recently, we went over to Manchester and defeated the team of that place by a big score. Upon our arrival home the 'fans' had received news of the game by telegraph, and had a brass band, fifty ho, red and green lights, fireworks, etc. A parade of the town was made after which we were taken to the St.

Charles Hotel and given a banquet. No team on earth was ever accorded a better reception. The boys say they are treated like kings, and have only good words for Charles Armstrong and Captain Ruggles and the 'fans' in general. There's one game they'll lose, and that one will be tomorrow when they go against the Maysville team.

Miss Mollie Jane Thompson, a native of Mason county, died recently at Lexington, aged 22.

The marriage of Mr. C. B. Blake, Jr., of Gallipolis, O., and Miss Julia E. Myall of Mason county will take place at Maysville today.

Don't forget that the Trustee's sale of the Maysville Shoe Factory will take place tomorrow afternoon at 2 o'clock. The sale will be held on the premises in the Sixth Ward.

MRS. WILLIAM ROADS.

Death at Her Home Near Washington Yesterday Morning.

The sympathies of the community will go out to Mr. William Roads and his son and daughters when it is known that the wife and mother of that home, with all that these fond words mean, has gone on her journey whence none ever return.

Mrs. Roads, after days and weeks of great suffering, died Tuesday morning at half past 9 o'clock at her home near Washington.

She was 65 years old, and a most exemplary Christian woman, abounding in hospitality and every good work.

She was a kind neighbor, a devoted wife and mother, and a true friend to the needy. She had for years been an invalid, but she bore all her sickness and suffering with a Christian's fortitude and resignation.

The funeral services were held at the home near Washington this morning at 10 o'clock, and the remains were interred at Shannon Cemetery, where all her relatives are buried.

Before going to the Fair call and see the pretty bats and headgear at Mrs. L. V. Davis's.

The gross earnings of the L. and N. for the fourth week in July were \$543,130, an increase of \$30,597 over the same week of last year, of \$35,746 over 1893, but a decrease of \$40,115 as compared with 1892.

It is amusing to those who know the Negro deathbed and fraud "Rev." R. W. Christian to see how he is "working" the white Democrats down at Owensboro. He tried the same game in the Republican here, and when they wouldn't have the went into the Democratic camp and "pulled their legs" for all he could. But, boys, put up your stuff, the "Rev." Christian is out for it.

## OUTRAGES IN U.S.

### Italians Attempt to Carry Their Threats into Execution.

### The Negroes of Spring Valley Are Run Out of Town by the Mob.

### Innocent Women and Children Driven from Home: They Were Almost and Their Haggard Disposition—Italian Mayor and Police Wield the Outrage.

PHILADELPHIA, Aug. 7.—The Italian miners of Spring Valley made an attempt to carry out their resolution of Monday to expel the colored people remaining in the city, and the result was one of the most disgraceful outrages ever perpetrated in this country. Innocent women and children were driven from their homes, abused, insulted and their trunks and belongings dragged about and despoiled. The affair outside of Spring Valley has created a sensation and the news soon spread. Condemnation of the proceedings are coming from every quarter. The "location" presented a dismal scene during the latter part of the day. Wagons were hurrying about gathering up household goods and carrying them off on the principal highways. The mayor, during the time Martin Delmarco, the Italian mayor, accompanied by several Italian members of the police, were in the grounds waiting for the mob. Mayor Delmarco said he was there to see that the Negroes not leave peacefully, but if this was his purpose, he did not accomplish it.

At 4 o'clock Tuesday afternoon Sheriff Clark of Princeton received a message from Gov. Altgeld asking information on the subject and wished to know what was being done by the officers of the law. Sheriff Clark replied, giving a brief history of the events that have transpired, being substantially in accordance with the reports printed in these columns. He said the author said that the Negroes were doing nothing and that he had not even been ordered by the mayor for assistance.

At 2 o'clock the committee appeared at Monday's mass meeting to see that the Negroes were out of the town by 3 o'clock Tuesday afternoon. At 3 o'clock Tuesday afternoon, commenced operations. During the day, the mob, where only women, children and invalids were left, they noticed these to have their trunks and belongings out of the hands of two hundred men. The mob were roughly handled and their goods kicked about and broken up. The same circumstances prevailed every part of the day. The mob, who were doing nothing and that he had not even been ordered by the mayor for assistance.
